Completion of the University of Wisconsin-Madison Wisconsin Certified Public Manager Program (hereinafter referred to as “the program”) equates to 9 undergraduate-level elective credits in the University of Wisconsin-Platteville Bachelor of Science in Criminal Justice, under the following stipulations:

1) These credits are acceptable only under the Credit for Professional Experience policy at the University of Wisconsin-Platteville.

2) The University of Wisconsin-Madison Certified Public Manager Program must be completed prior to being admitted to the Bachelor of Science in Criminal Justice. The program must be dated no more than three years from the date the individual submits an application for admission.

3) Completion of the program equates to 9 undergraduate-level elective credits in the UW-Platteville B.S. in Criminal Justice upon admission thereto.

4) The individual must meet all admission requirements of the UW-Platteville Bachelor of Science in Criminal Justice.

5) See Attachment A for the program requirements.

6) Students who apply this agreement to the B.S. in Criminal Justice will not be permitted to also apply it to the UW-Platteville Master of Science in Criminal Justice.
This agreement is subject to review every three years to affirm that it is achieving its intended purpose and meeting the needs of both institutions unless curriculum changes warrant earlier review. Any cancellation of this agreement shall provide for students active, at the time of cancellation, to complete any program in progress at that time.
