Credit for Professional Experience
University of Wisconsin-Platteville Master of Science in Integrated Supply Chain Management
And the Association for Operations Management

The University of Wisconsin-Platteville Master of Science in Integrated Supply Chain Management waives three graduate credits for BUSADMIN 6100 Supply Chain Management to those who currently hold one of the following certifications, as awarded by The Association for Operations Management (APICS):

- Certified in Production and Inventory Management (CPIM)
- Certified Supply Chain Professional (CSCP)
- Certified in Logistics, Transportation and Distribution (CLTD)

Eligibility for the three credit waiver for BUSADMIN 6100 Supply Chain Management, is under the following stipulations:

1. One of the above certificates must be completed before the student is admitted to the M.S. in Integrated Supply Chain Management at UW-Platteville.
2. While a student may hold more than one certification, additional credit is not granted for multiple certifications.
3. These credits are acceptable only under the Credit for Professional Experience Policy at the University of Wisconsin-Platteville.
4. While completing the CPIM, CSCP, or CLTD students are learning the content taught in BUSADMIN 6100, the content of the course focuses on:
   A. Principles and concepts of Supply Chain Management
   B. Review the role of Supply Chain Management functions within an organization
   C. Developing analytical and evaluative skills through critical examination of theories, models, tool and techniques.
   D. Covering the following topics: strategic sourcing, forecasting and collaborative planning, inventory management, customer relationship management, transportation, warehouse management, and service response logistics.
5. This agreement is valid for five years and will be reviewed for renewal five years after the date of the last signature received.
