WAITLIST

If a course that you wish to take for a given semester is full, you can waitlist yourself for the course. Adding yourself to a waitlist does not automatically enroll you into a course if a spot opens up, but it does allow us the opportunity to see how many students may need this course for a given semester and to add more seats if possible.

It is your responsibly as a student to review the course enrollments to see if another seat in the course opens up.

In order to add yourself to the waitlist, please follow the following instructions.

Search for classes
On the class search page, unselect Show Open Classes Only.

Select class
Scroll down to the course you wish you select to wait list and click Select.

Choose Wait list
On the next screen, please select Wait list if class is full and click next.

If you have questions about this process, please contact the Center for Distance Learning at 608.342.1468 or DistEd@uwplatt.edu.
