Parking Appeals Committee
The University of Wisconsin-Platteville created a Parking Appeals Committee in 2010 to assist the Police Department in responding to parking citation appeals. This committee is made up of students, faculty, and staff members of the campus community. The University Police Department Chairs this committee, but is not a voting member in the decision on the appeal. The Parking Appeals Committee meets once a week when classes are in session. During breaks, the committee will meet when the need arises to discuss open appeals. The committee deliberations and meetings are considered "closed meetings" per Wisconsin statute 18.85(1)(a). This statute provides exemptions to the open meetings laws of Wisconsin.

Parking Citation Appeal Process:
- On the bottom of the citation is a web address that will take you here: https://campus.uwplatt.edu/police/citation-appeals
- Please make sure your appeal reason is not one of the ones listed above, as you will automatically be rejected based on your response
- You have 7 days from when the citation was issued to complete the appeal process. After 7 days the window to appeal will close and you will lose your chance to appeal your citation.
- If you have chosen a valid reason to appeal, you will be advanced to another screen where you will enter your citation number and license plate. From there you will have a chance to describe your reason for appeal.
- Since the Parking Appeals Committee usually meets once a week, you can expect to hear a response from the committee within 7 to 14 days.
Findings:
The University Parking Appeals Committee will provide an email to the appellant stating the final decision of the committee. There are three outcomes for an appeal:

1. **Waived** - This means that the citation has been waived and the ticket has been voided from the system.
2. **Reduced** - This means that the citation was reduced from its original amount to a smaller dollar amount. (Please note that failure to pay the reduced fine by the due date may result in late fines that will not be removed from the citation.)
3. **Rejected** - This means that the citation will need to be paid in full. If you want to appeal this further, you may do so, by requesting a court Date in the Grant County Circuit Court. Please see below for the fine adjustment to incur court fees:

   - $15 Fine + Court Costs = $150.10
   - $25 Fine + Court Costs = $169.00
   - $60 Fine + Court Costs = $213.10
   - $100 Fine + Court Costs = $263.50
