MEAL PROGRAM CONTRACT TERMS

This document and all elements referred to constitute the University of Wisconsin-Platteville Dining Services contract for the 2019-2020 academic school year. Signature on the current year contract indicates acceptance of and agreement to all services provided under the terms stated herein.

By Board of Regents policy, all freshmen and sophomores, living in university residence halls at UW-Platteville, are required to participate in the meal program; however, all students are encouraged to participate. This requirement applies to Southwest and Rountree Commons residences, as well.

This meal contract is for the 2019-2020 official school year. Service begins after residence hall check-in each semester. Contracts cannot be terminated or cancelled except under conditions stated in the Meal Program Cancellation or University Withdrawal/Termination sections of this agreement. Meal plan contracts are not valid during official school vacations or during an emergency that does not permit the university to provide dining services. No refunds will be issued if the university is closed for short periods of time due to an emergency designated by the chancellor.

The meal plan account is accessed through the student’s University Campus Card ID and provides service to all Dining Services locations. Other individuals may not use your meal plan or Campus Card ID. Any misuse of your meal contract will be treated as a contract violation.

If your Campus Card is damaged and is consistently difficult to read in the register system, you will be required to replace it at your own expense. When a Campus Card ID is lost, the student is responsible to secure their meal account and Dining Dollars on-line at eAccounts website: https://eacct-uwplatt-sp.blackboard.com/eaccounts/. Students may also report misplaced cards to the Meal Access or Campus Card Office. However, using eAccounts is the most efficient and preferred method as the account is secured immediately preventing misuse of a lost card. The university is not responsible for loss of meals, Dining Dollars or Campus Cash as a result of unreported lost cards.

Student agrees to have a working card, to observe all rules and regulations of UW-Platteville and Dining Services, and to honor the terms and conditions stated in this contract.

MEAL PLAN PROGRAM

The 2019-2020 costs are semester rates and cover approximately 16 weeks of dining service each semester. The university reserves the right to adjust the Meal Plan Program. Dining Services offers nine meal plans for students. Five plans are available to all students and two plans are available for students with 60 or more credits. Additionally, two commuter options are available for off-campus students. The meal plan week begins with Saturday brunch and ends with Friday dinner.

By Board of Regents policy, freshmen and sophomores living in the residence halls are required to select one of the following five plans:

TRADITIONAL PLANS

These plans allow one meal per meal period (breakfast, brunch, lunch and dinner) to be used. The number (19, 14) of the meal plan designates the total number of meals available each week. Traditional Plans allow one guest meal per week at Stations when a guest accompanies the contract holder.

- **19 Meal Plan** – Provides 19 meals per week.
  Cost: $1,595.00*

- **14 Meal Plan + $50** – Provides 14 meals per week and $50 in Dining Dollars per semester.
  Cost: $1,550.00*

BLOCK PLANS

These plans provide meals based on a per semester meal total. Unlike Traditional Plans, these plans feature flexible and unlimited use of meals during any period. Students may use meals for guests at any time.

- **200 Meals + $100** – Provides 200 meals and $100 in Dining Dollars per semester.
  Cost: $1,690.00*

- **175 Meals + $100** – Provides 175 meals and $100 in Dining Dollars per semester.
  Cost: $1,580.00*

- **150 Meals +$100** – Provides 150 meals and $100 in Dining Dollars per semester.
  Cost: $1,470.00*
Junior/Senior Block Plans are for students with upper-class-person status (60+ credits).

110 Meals + $125 – Provides 110 meals and $125 in Dining Dollars per semester.
Cost: $1,035.00*

90 Meals + $100 – Provides 90 meals and $100 in Dining Dollars per semester.
Cost: $875.00*

Off-Campus Block Plans are available to any student who does not live in the residence halls, although they may choose from any of the above meal plans as well.

Orange & Blue — Provides 75 meals a semester and $100 in Dining Dollars.
Cost: $695.00*

Pioneer Classic — Provides 50 meals a semester and $75 in Dining Dollars.
Cost: $485.00*

Additional meals may be added in 25-block increments, Dining Dollars may be added at the Meal Access Office anytime during the school year. Meal plans with Dining Dollars provide additional spending power at all Dining Services locations. Each Dining Dollar is equivalent to $1 and offers a five percent discount on all purchases. If a purchase exceeds the meal plan cash-equivalency rate at a retail operation, Dining Dollars can be used to pay the difference. Dining Dollars will carry over from the fall to spring semester but are not available after the last official semester day in May.

*Meal plan prices are subject to change pending approval of the UW System Board of Regents.

MEAL PLAN CHANGES
One change in Meal Plan contract is permitted through July 31st, 2019 for Fall Semester at no charge. The change period for 2020 Spring Semester is December 2nd to December 13th, 2019 at no charge. These changes will be available at https://campus.uwplatt.edu/dining/meal-plans.

Changes made after July 31st for Fall 2019 or after December 13th, 2019 for Spring 2020 will require a $20 processing fee and can be made the second through fourth weeks of the semester. Only meal plan upgrades may be made after the fourth week. Adjustments in charges for the meal contract will be reflected on the University Billing Statement.

MEAL PROGRAM CANCELLATION
After the beginning of each semester, a minimum charge of $25 for canceling any meal plan will be assessed. Cancellation refunds are issued through the first six weeks of classes.

Financial hardship does not constitute an exemption to the meal plan requirement because room and board are part of college financial planning and Financial Aid. Students living in the residence halls that are 21 years of age or are married are exempt from the meal plan requirement.

Cancellation from the meal program for medical reasons is rare as Dining Services works to meet special diets and circumstances. The Resident Dietitian, in consultation with the attending physician, will work closely with the student to plan a customized menu.

WITHDRAWAL/TERMINATION
Withdrawal from the University and meal contract requires students to officially process a University Withdrawal through the UW-Platteville Registrar’s Office and to notify the Meal Access Office (mao@uwplatt.edu). Traditional Plan charges are prorated by the week after official withdrawal. Block Plan charges are based on meals and Dining Dollars used, and these plans are not refundable after the first 12 weeks of each semester.

If a student fails to comply with any portion of this agreement or becomes ineligible to hold this agreement (loss of student status or criminal act charges in a Dining Services location), termination of this agreement is mandatory.

DIETARY MODIFICATIONS
Dining Services is able to accommodate many special nutrition/health-related requests and specific dietary needs. If you are a student requiring a special diet or have food allergen restrictions, please contact Stephanie Young, Registered Dietitian at 608.342.7334 or email specialdiets@uwplatt.edu for an appointment.

SPECIAL REQUESTS
Requests for a carryout meal for participants who are ill will be honored at Bridgeway Stations with presentation of student ID and one of the following criteria:

Residence Hall Students: The Resident Assistant will fill out an Illness/Injury Meal Request and submit it to Stations’ staff. Carryout meals requested for more than two days require written verification from UW-Platteville Health Services or a private physician.

Off-Campus Students: Carryout meals will be supplied the first day of illness. Meals requested beyond one day require written verification from UW-Platteville Health Services or a private physician.
