LGBTQ+ RESOURCES @ UW-PLATTEVILLE

The Doyle Center (doylecenter@uwplatt.edu)
The Doyle Center for Gender and Sexuality is a supportive and inclusive space with computer and TV access, a resource library, lounge space, the campus's Lactation Room, and other supplies. Open every week day in Warner 136.

The Alliance (theallianceuwplatt@outlook.com)
The Alliance is a student LGBTQ+ organization on UW-Platteville that provides a safe place for any sexual orientations, gender identities and expressions. They host educational and social events. Email for more information and meeting times.

Rainbow in the Res Halls (doylecenter@uwplatt.edu)
The Doyle Center will be serving one hour per week inside of the Residence Halls! Our hope is to provide further outreach, support, and resources to students. Please visit our website for a schedule of dates, times, and locations.

Friendly Faces (uwplatt.edu/doyle-center/friendly-faces)
Friendly Faces is a great tool for staff, faculty, and administration to use to showcase their allyship to the LGBTQ+ community. Creating a bio provides a visual tool for students who are looking for an inclusive face on campus.

Trainings (uwplatt.edu/doyle-center/training-RSVP-form)
The Doyle Center hosts trainings to educate folks on the topics of gender and sexuality. These trainings are open to everyone and take place throughout the academic year. RSVP is preferred. Visit our website or email for full details.

LGBTQ+ Support Group (dalingd@uwplatt.edu)
The LGBTQ+ Support Group helps individuals understand, accept, and value their own sexual orientation and/or gender identity. Attendees will gain information, find support, and develop a sense of community. No appointments required.
